

## II Meeting evaluation - malaga

How do you evaluate the role played by the coordinator, in terms of leadership, capability of involving the partners, synthesis of results?

How do you evaluate your contribution to the project until now?

### How do you evaluate each partner contribution to the project until now?

### How do you evaluate the preparation of the meeting (information delivered, preparatory work, agenda...)?

How do you evaluate the balance of different activities realized during the Meeting, including work groups or other social activities?

Do you know now clearly what your organisation is expected to do next months?

How do you evaluate the attitude of the coordinator in order to allow all participants contribute with their own ideas and expertise to the meeting?

Did the needs and expectations, as well as doubts or questions of participants have been taken into account during the meeting?

How do you evaluate the organisation and realisation of the Meeting (program, logistics, meals...)?

Did the meeting provide further relevant information on the project and the upcoming work? Do you have now a clearer idea of aims, deliverables, work
